THE UNIVERSITY MEDICINES, being the favorite prescriptions of the New York Medical University, an incorporated institution of the Sine Reliable remedials, of high actinific character, prepared strictly according to the laws of chemistry. They are made upon the square, and can be relied on. They are standard—most of them having been used by the Professors of the University in their private practice for over twenty years. What may seem almost incredite is the fact that they cure diseases hitherto considered four able. We are daily receiving letters from every part of the country, from patients, physicians and distinguished men and women, recording the most associating cures performed by these remedies. Many of these cases had been considered beyond its power of cure. We wish we could publish these letters for the earcour agents of the afficient, but a book of a thousand pages would not contain those which we have permission to medicines. They are not patent wedself the his system of medicines. They are applicly supersecting the old poisons, nostrums and neuseous drugs, and their eals is becoming mornous.

and their eals is becoming enormous.

ARABIAN STALLION FOR SALE.—THE PURE
A rabian Horse SAID is for sale on reasonable terms as
his present owner has no use for him. To breeders he will be
a not valuable acquisition. The following pedagree gives
the purity of his blood, with other interesting facts relating
to his career:
SAID (also spelled Sayed), as given by the groom of Nuhar
Patha, Minister to Frame from Eypt, was foaled on the 5th
of March, 1988, at the stables of Nubar Patha. His sire was
the famous Rhorassan, the property of Abdul Medjid. Said's
dam was Obian, the property of Nubar Patha, and is the descendant of the celebrated Janirear, which leaped the citade
walls with the last Mameluke Bey when Seeing from
hahomed Ali in 1819. Thersfore, Said is a cross between the
Nedjid bread on the mother's side and the Anasseh bread on
the side of Rhorassan.

This grand Arab stallion exhibited wonderful powers of endurance and speed in the Abyssinan war, being ridden constantly by an officer during that campaign.

Said will be exchanged for a fast and improving young
trotting horse.
